From: Licensed Professional Counselors Board of Examiners

To Whom It May Concern:

The Licensed Professional Counselors Board of Examiners has proposed amendments to LAC 46: LX.707. To facilitate the Department of Justice's review of the proposed rule, the Licensed Professional Counselors Board of Examiners provides answers to the following questions:

1. Describe any relevant factual background to the occupational regulation and the purpose of the occupational regulation.

Existing rules do not allow Licensed Professional Counselors (LPCs) to earn continuing education hours for teaching graduate-level coursework. The proposed changes would permit LPCs to obtain continuing education hours by teaching coursework at a regionally accredited university in one of the 14 already approved content areas for continuing education. This aligns with current allowances for Licensed Marriage and Family Therapists (LMFTs). Under the proposed changes, teaching a course for the first time would count as ten continuing education hours, while teaching the same coursework again would count as five hours.

2. Is the occupational regulation within the scope of the occupational licensing board's general authority to regulate in a given occupation or industry? If so, identify the law that provides the authority for the rule and describe how the occupational regulation is within the scope.

In accordance with the Louisiana Administrative Procedures Act (R.S. 49:4950 et seq.) and through the authority of the Mental Health Counseling Licensing Act (R.S. 37:1101 et seq.).

3. Check all of the following that apply as reasons the occupational regulation is subject to review

- Other activity: Active state supervision to ensure compliance.

4. Identify the clearly articulated state policy (e.g., health, safety, welfare, or consumer protection) in state statute, or any supporting evidence of the harm the action/proposed action is intended to protect against?

The policy of the Louisiana Mental Health Counselor Practice Act, as stated in LA R.S 37:1103, is that activities of such persons in the mental health counseling area should be regulated for the protection of the public health, safety, and welfare and to provide for the regulation of the practice of mental health counseling in the state of Louisiana.

5. Do any less restrictive alternatives to the occupational regulation exist for addressing the same harm? If so, include a comparison of the occupational regulation to the alternatives and a justification for not pursuing a less restrictive alternative. If no less restrictive alternatives exist, explain why.

The Board is not aware of any less restrictive alternatives. Applicants for license renewal may benefit from the proposed change, which provides an additional mode for obtaining continuing education. Teaching at the graduate level does not require preapproved coursework, and licensees can earn up to ten hours through this method.

6. Describe the process that the occupational licensing board followed in developing the proposed rule, including any public hearings held, studies conducted, and data collected or analyzed.

The Fiscal and Economic Impact Statement (FEIS) was submitted and approved. The notice of intent was sent to the Louisiana Register along with the required Oversight Committees. The Notice of Intent was published in the March 2025 Louisiana Register with public comments being accepted until April 10, 2025. The Board did not receive any requests or public comments and therefore did not conduct a public hearing.

7. Does the occupational regulation relate to a matter on which there is pending litigation or a final court order?

No.

8. Please identify the board members voting in favor of this rule, and state whether the member is an active market participant.

Roy Salgado, Jr. (Active), Laura Fazio-Griffith (Active), Nakeisha Pierce (Active), Earnest Airhia (Active), Chastity Butler (Active), Abigail Hays (Active), Kristal Hebert (Active), Amanda Dossaji (Active), Foley Nash (Active), Mark Reynaud (Active), Kelly Austin (Active).

9. Is there anything else that the occupational licensing board would like the Department to know about the proposed rule?

No.

The Board did not receive any requests or public comments and therefore did not conduct a public hearing. Should you have any questions or need any additional information, please contact Jamie S. Doming or Raelene Lundin at (225) 295-8444 or via email to [lpcboard@lpcboard.org](mailto:lpcboard@lpcboard.org).
